Staff news

30/11	Nadine Fischer (MCnet) leaves
22-5/1	Mattias Ohlsson on vacation
23-5/1	Johan Rathsmann on vacation
23-8/1	Anders Johansen on vacation
27-30	Astronomy building closed
27-30	Lena Magnusson and Eva Jurlander on vacation
27-2/1	Mandana Shahroodi on vacation
31	Hemant Kumar and Albertas Dvirnas (worked with Tobias Ambjörnsson) leave

Regular seminar schedules

Astronomy – <http://www.astro.lu.se/Seminars/>

THEP – <http://particle.thep.lu.se/Seminars/>

CBBP – http://cbbp.thep.lu.se/~carl/internal/group_meetings.html

Visitors

19-22	Tobias Fritz (University of Virginia) visits Nils Ryde and Brian Thorsbro to work on Galactic Center stars
-------	--

Important dates and events

14	ATP Christmas Party: register at http://doodle.com/poll/pq6cg8xw6tt65xuz
13	Lucia glögg at 10 in the Astronomy lunch room
15	IGU
19	Lund University 350 Anniversary Inauguration: http://www.medarbetarwebben.lu.se/article/lunds-universitets-350-ars-jubileum-invigs-19-december

Absences, trips and other travel

26/11- 10/12	Johan Bijnens visits J-Parc and KEK in Japan and attends the workshops on 'Towards high precision muon g-2/EDM measurement at J-PARC' and 'The international workshop on future potential of high intensity accelerators for particle and nuclear physics (HINT2016)' and presents talks at both
28/11-1	Sofia Feltzing attends the Week of WEAVE, Lorentz centre, Leiden
29/11-1	Melvyn B. Davies visiting Warsaw giving a colloquium
3-10	David Hobbs attends a Gaia-JASMINE joint meeting, National Astronomical Observatory of Japan, Tokyo
4-7	Leif Lönnblad (5-7) Gösta Gustafson attend SAT1000+ meeting on QCD and diffraction in Krakow
5-9	Melvyn B. Davies attends a winter school at Bad Honnef, near Bonn, and gives a review talk on the Galactic Centre
6	Sofia Feltzing attends pre-ESO Council meeting at VR, Stockholm
7-8	Sofia Feltzing, as chair of STC, attends ESO Council, Garching
12	Paul McMillan gives seminar at GRAPPA Institute of the University of Amsterdam
12-14	Sofia Feltzing visits AIP, Potsdam, Germany, to work on 4MOST
14-16	Alex Mustill and Melvyn B. Davies attend the 9th CHEOPS Science Team Meeting, Graz
14-16	Oscar Agertz visits University of Zurich and gives a seminar
18-21	Sofia Feltzing, Paul McMillan and Thomas Bensby attend the first WEAVE All Hands Meeting, Cambridge, UK

Deadline: 17.00 on the last day of the previous month.
