

**FACULTY OF SCIENCE
DEPARTMENT OF PHYSICS AND ASTRONOMY
UNIVERSITY OF AARHUS
DENMARK**

Associate Professor in Astrophysics

The Department of Physics and Astronomy (www.phys.au.dk) invites applications for a position in Astrophysics at the Associate Professor (Lektor) level. The position is open from January 1, 2005.

The Department wishes to strengthen its activities in **astrophysics** and seeks a candidate with a track record of outstanding and independent research. The candidate is expected to develop a strong research programme at the forefront of modern astrophysics. The candidate is also expected to collaborate with the astronomy group and to supplement the activities of the group in its science and teaching programmes. The candidate should participate in fundraising for science operations and contribute to the Department's visibility through public outreach activities.

The candidate must be committed to teaching at all levels in the university curriculum. The candidate must be able to teach in Danish within two years of taking up the position.

Applications must be in English and include a curriculum vitae, a complete list of publications, a statement of future research plans and information about research activities, teaching qualifications and management experience, all in 4 copies (see <http://www.nat.au.dk/stilling/cv> for the recommended level of detail). All other material that the applicant wishes to be considered in the evaluation (publications and other documentation of research and teaching qualifications, as well as administrative and management experience) must be enclosed in 3 copies.

Salary depends on seniority as agreed between the Danish Ministry of Finance and the Confederation of Professional Unions.

The Faculty refers to the Ministerial Order No. 820 of 31.8.2000 (<http://www.au.dk/en/rules/2000/bek820/>) on the appointment of teaching and research staff at the universities under the Ministry of Research and Information Technology.

Applications should be addressed to The Faculty of Science, University of Aarhus, Ny Munkegade, Building 520, DK-8000 Aarhus C, Denmark, and marked 212/5-100.

The deadline for receipt of all applications is August 23, 2004, at 12 noon.

Further information can be obtained from Head of Department Ivan Stensgaard, Department of Physics and Astronomy, University of Aarhus, Ny Munkegade, Building 520, DK-8000 Aarhus C. Tel: +45 8942 3715, e-mail: fysis@phys.au.dk.
